

# Birdy, Heartbreaker

Eh oh eh oh  
Eh oh eh oh

Feel like I've been reading you wrong  
And we've tilted from where we started  
If someone's gunna let go  
It's me that's gotta let go  
I'm damned if I do, gunna be damned if I don't

Eh oh eh oh  
Eh oh eh oh

You say one more dance and I always give in  
(I don't know what I'm doing)  
(I don't know what I'm doing)  
I'm falling in your arms trying to save everything  
(I don't know what I'm doing)  
(I don't know what I'm doing)

Heartbreaker  
It was over right from the start  
Heartbreaker  
And nothing's ever gunna be enough  
Heartbreaker  
I wanted you to be but you're not

Eh oh eh oh  
Eh oh eh oh

Been too long, too long holding on  
To this blindfold hoping and praying  
We both know the truth is  
We're already losing  
Damned if I do, gunna be damned if I don't

Eh oh eh oh  
Eh oh eh oh

You say one more dance and I always give in  
(I don't know what I'm doing)  
(I don't know what I'm doing)  
I'm falling in your arms trying to save everything  
(I don't know what I'm doing)  
(I don't know what I'm doing)

Heartbreaker  
It was over right from the start  
Heartbreaker  
And nothing's ever gunna be enough  
Heartbreaker  
I wanted you to be but you're not

Heartbreaker , Heartbreaker , Heartbreaker  
(Eh oh eh oh  
Eh oh eh oh... )

Illusions only last for so long

Heartbreaker

I wanted you to be but you're not

But you're not
