

# Birdy, I Only Want To Be With You

I don't know what it is that makes me love you so  
I only know I never want to let you go  
'Cause you started something, oh can't you see  
That ever since we met, you've had a hold on me?  
It happens to be true  
I only want to be with you

It doesn't matter where you go or what you do  
I want to spend each moment of the day with you  
Well look what has happened with just one kiss  
I never knew that I could be in love like this  
It's crazy but it's true  
I only want to be with you

You stopped and smiled at me  
Asked if I'd care to dance  
I fell into your open arms  
I fell into your open arms  
I didn't stand a chance

I fell into your open arms  
I fell into your open arms  
I fell into your open arms  
I fell into your open arms  
I didn't stand a chance

I fell into your open arms  
I fell into your open arms  
I fell into your open arms  
I didn't stand a chance

I fell into your open arms  
I didn't stand  
I fell into your open arms  
I fell into your open arms

I just want to be beside you everywhere  
As long as we're together honey, I don't care  
'Cause you started something, oh can't you see  
That ever since we met, you've had a hold on me?  
No matter what you do  
I only want to be with you
