

# Birdy, Just Like A River Does

I always cry on the train back home  
Watchin' the world outside I used to know  
As soon as I get there  
I have to go

And the years go by, I don't even know where I've been  
In the blink of an eye, could've all been a dream  
Will I ever find somewhere  
To call my own?  
As soon as I get there  
I have to go

We're two hands meant to shape the land  
Just like a river does, just like a river does  
And now the day breaks and I have to go away  
Run like a river does, on and on like a river does

And the landscape has changed since last I was here  
Some people stay and some disappear  
But I'll always remember  
This part of me  
And I can't help but wonder  
How I ever leave

We're two hands meant to shape the land  
Just like a river does, just like a river does  
Now the day breaks and I have to go away  
Run like a river does, on and on like a river does

Oh, oh-oh, oh  
Oh-oh-oh, oh, oh  
Ooh, ooh-oooh, woo

We're two hands meant to shape the land  
Just like a river does, just like a river does  
Now the day breaks and I have to go away  
Run like a river does, on and on like a river does

So I bottle the sound of the wind in the trees  
Follow the salt in the air down to the sea  
Just like a river does  
Just like a river does
