

# Birgit, Maybe The Wine

Feels like heaven to me  
Got me all confused  
This was not supposed to be  
I don't know what to do  
Don't ask me where it came from  
I've got this notion i can't seem to shake  
It hits me like a little earthquake  
Chorus:  
Maybe the wine got me thinking  
Maybe the wine let me now  
Maybe the wine got me feeling that  
I should never let you go  
Looks like heaven to me  
Angels doing time  
Wrapped up in a world of sin  
It's gotta be in the wine  
Don't ask me where it came from  
I've got this vision i can't seem to shake  
It hits me like a little earthquake  
Repeat chorus
