

# Bishop Allen, Coupla Easy Things

Spending time together is easy  
When you spend so much time apart  
I gave up my freedom  
But I gained a second heart

Second heart is all I need this fall  
Cuz you know: I need someone to sing me to sleep

Making good decisions is easy  
When you haven't got a choice  
Telephone turn on sunshine  
When it sends you the right voice

The right voice is all I need this fall  
Cuz you know: I need someone to sing me to sleep

Hello to the angry phone bill  
They charge for my whole life  
Wise man, he once told me:  
Cut the cord with a kitchen knife

Kitchen knife is all I need this fall  
Cuz you know: I need someone to sing me...zzz
