

Bitch Alert, All Wrong

The best fuck you've ever had
but I never could do more
I always leave before it ends
before it even begins

I push you away
in verge of tears
Still you're the only one I want
one I desperately need

You're so irresistible

Why did I do it all wrong
I just want you back

All my intentions are good
I just want you back

Hopeless but endless love story
I want to live a life that you
can write a book about
I want audience

I want us
in a pretty picture on my wall
you dried my eyes so well but still
no peace inside of me

You dried my eyes so well
No, I'm not sorry
You dried my eyes so well

You dried my eyes too well
No, I'm not sorry
You dried my eyes too well
