

Bitch Alert, Dirty White

Angel posters, collection of your dreams
If I'm cute, I'm cute all the time
There's no part-time happiness in me
Now if you want me, you'll have all of me

Watch me crying I'm acting to you
Watch me dieing cuz someday I'll do
Watch me smiling I'm acting to you
Watch my smile, to you

Emptyness, why should I lie
I don't want you to be my friend
I don't want you, I really really hate you/myself
I really really hate you, I really really hate

Watch me smiling I'm acting to you
Watch me dieing cuz someday I'll do
Watch me crying I'm acting to you
Watch my smile, to you

I thought that I was just your little girl

Watch me dieing cuz someday I'll do
Watch me smiling I'm acting to you
Watch my smile, to you
