

Bitch Alert, Heroine

Take your things please leave me you better do it soon
Something gets to me over and over again
I don't mind if it is your day that I spoil
Caffeine addiction it feels so good

No more love yours
No more broken bones

Take your things please leave me you better do it soon
Something gets to me over and over again
I don't mind if it was your day that I spoilt
Cocaine addiction it felt so good

No more love yours
No more broken bones
Heroine just loves her
Heroine just loves her
I don't wanna love you, love you
