

# Bitch Alert, Latenight Lullaby

When it get&#039;s dark in this town  
It feels like everyone&#039;s asleep  
But you come to me and you ask me out and i say okay now  
For tonight, tonight is for us

You&#039;ve got me babe  
And it feels so good to be on top of you  
I&#039;ve got you boy  
And it feels so good to be on top of you, on top of you

Now i can&#039;t feel a thing  
I am numb i&#039;m everything you want  
Whatta joke, i said go, boy you have to be one hundred percent  
Perfect  
And tonight, tonight you prove me

You&#039;ve got me babe  
And it feels so good to be on top of you  
I&#039;ve got you boy  
And it feels so good to be on top of you, on top of you
