

Bitch Alert, Would You Be My Mental Big Sister, J

No more lies
And this is why:
Cuz my body is mine
So I decide
How to ruin my
Whole life

By taking another bite
When I already took enough to die
Don't cry
Pretend that I turned into a kite
And now I fly
Freedom is not a crime
This time it's mine

Wish you were my sister
I could put all my hopes in you
