

Bitter Sweet, Get what I want

Hold the door, while I let myself in
I'm tired boy, need a drink, need a man
I'm not looking for trouble, I just want someone to tease
Maybe if you're lucky, I'll show you what I've got
But let's get one thing straight dear
I get what I want
Here there boy, I am not like the rest
Let's have a dance, while our souls get undressed
I don't care much for small talk, there's no need to say a thing more
I can make you feel something lovely, that you've never felt before
Maybe if you're lucky, I'll show you what I've got
But let's get one thing straight dear
I get what I want
Darling don't step on my toes
Behave, I'm in control
I'm not the girl who will chase you
I don't need a Pepe Le Peu
But if it's a good time you're after, then there's plenty of things we can do
Maybe if you're lucky, I'll show you what I've got
But let's get one thing straight dear
I get what I want
I get what I want
I get what I want
