

# Bitty McLean, Walk Away From Love

&lt;It's not that I don't love you, you know how much I do  
And it's not that found somebody to take the place of you  
But it's just a feel within me when you touch my hand  
And a feel that shakes my body and I don't understand

So I'm leaving  
This time I played it smart  
I'm gonna walk away from love  
Before love breaks my heart

You're clinging to me tighter (tighter), then you have before  
But you know it's gonna take everything to stop me walking out that door  
See your arms that you've got around me  
Will let me go someday  
So I'd rather leave them holding on then pushing me away

So I'm leaving  
This time I played it smart  
I'm gonna walk away from love  
Before love breaks my heart

I'm gonna walk away from love  
I'm gonna walk away from love
