## Bjork, Black Lake

Our love war my womb But our bond has broken My shield is gone My protection taken I am one wound My pulsating body Suffering being

My hear is enormous lake Black with potion I am blind Drowning in this ocean

My soul torn apart
My spirit is broken
Into the fabric of all
He is woven
Your fear my limitless emotions
I'm bored of your apocalyptic obsessions
Did I love you too much
Devotion bent me broken
So I rebelled
Destroyed the icon

I did it for love, honored my feelings You betrayed your own heart Corrupted that organ

Family was always our sacred mutual mission Which you abandoned

You have nothing to give Your hear is hollow I'm drowned in sorrows No hope in sight of ever recover Eternal pain and horrors

I am a glowing shiny rocket Returning home As I enter the atmosphere I burn off layer by layer Jettison
