Bjork, Come To Me

come to me
i'll take care of you
protect you
calm, calm down
you're exhausted
come lie down
you don't have to explain
i understand

you know that i adore you you know that i love you so don't make me say it it would burst the bubble break the charm

jump off your building's on fire i'll catch you i'll catch you destroy all that is keeping you down and then i'll nurse you i'll nurse you

come to me i'll take care of you you don't have to explain i understand
