

# Bjork, Enjoy

i wish: i want to stay here  
i wish: this be enough  
i wish: i only love you  
i wish: simplicity

look at the speed out there  
it magnetizes me to it  
and i have no fear  
i'm only in to this to

enjoy

i wish i'd only look  
and didn't have to touch  
i wish i'd only smell this  
and didn't have to taste

how can i ignore?  
this is sex whitout touching  
i'm going to explore  
i'm only into this to

enjoy
