

# Bjork, Hope

Here's my version of it, eternal whirlwind [x3]

What's the lesser of two evils:

If a suicide bomber  
Made to look pregnant  
Manages to kill her target  
Or not?

What's the lesser of two evils?

What's the lesser of two evils:

If she kills them  
Or dies in vain?

Nature has fixed no limits on our hopes

What's the lesser of two evils?

What's the lesser of two evils:

If the bomb was fake  
Or if it was real?

Here's my version of it

Eternal whirlwind  
I have fostered since childhood

Well I don't care

Love is all  
I dare to drown  
To be proven wrong
