

Bjork, It's In Our Hands

Look no further
Look no further
Look no further
Cruellest almost always to ourselves
It mustn't
Get any better
Ahhhhhh-ohh-ahh- off
It's in our hands
It always was
It's in our hands
In our hands
It's all here in our hands
It's all here in our hands
Well now aren't we scaring ourselves?
Unnecessarily
Aren't we trying to hard?
'Cause it's in our hands
It's in our hands
It's all here
It's in our hands
Look no further
Look no further
It's in our hands
It always was
