

Black And White Brothers, Pump It Up

It's not so long ago,
that the sound hit the nation.
Every Saturdaynight,
On your favourite radio.
The party's jumpin'
and the vibe feels so strong.
Throw your hands in the air,
lif your head up high,
you know you got to sing along.
Don't you know, pump it up,
you got to pump it up,
don't you know pump it up,
you've got to pump it up
