

# Black Buddafly, Rock A Bye

[Verse 1:]

Boy what you got planned tonight (Tonight)  
Cuz i was thinkin maybe you might (You might)  
Wanna stop by and see me  
Cuz its almost bed time  
Im ready, to get rock-a-byed to sleep (To sleep)  
So how long do you think it'll be (Will be)  
It's a little of temptin  
So when you get here, i'll be here waitin

[Hook 2x:]

Rock-a-bye i'll be your baby, Lullaby  
Make me go crazy  
Rock-a-bye, so good and salty  
Lullaby, put me straight to sleep

[Verse 2:]

Ohh come over play house with me (With me)  
Take control and be my daddy (Daddy)  
And i'll do whatever you say  
Be a good girl for you any wish i'll obey  
Take me ridin in your rocket love (Love)  
Send me soarin to the stars above (Above)  
Wrap me in your arms real tight  
And love til finish  
Dont forget my kiss goodnight

[Hook 2x:]

Rock-a-bye i'll be your baby, Lullaby  
Make me go crazy  
Rock-a-bye, so good and salty  
Lullaby, put me straight to sleep

[Bridge:]

Rock it low, Rock it high  
Make your heart sing lullabies  
Let it flow tumble so  
'Til im losing control  
Rock it high, Rock it low  
Take me in your arms and go  
Boy just keep moving deep and just Put me to sleep

[Hook 'Til Fade:]

Rock-a-bye i'll be your baby, Lullaby  
Make me go crazy  
Rock-a-bye, so good and salty  
Lullaby, put me straight to sleep
