of the night

Toda la noche rempemo
Al. otro dia volvemo
Tu sabes como lo hacemo, baby
This is the rhythm of the night

Baby, tonight's like fuego
The night
We 'bout to spend the dinero
We party to the extremo, baby
This is the rhythm of the night

Toda la noche rempemo
Al. otro dia volvemo
Tu sabes como lo hacemo, baby
This is the rhythm of the night

Baby, tonight's like fuego
The night
We 'bout to spend the dinero
We party to the extremo,
Extremo, extremo , extremo, extremo!

Ritmo!
