Because tonight, tonight, tonight, oh-oh
I'm gonna make it right tonight, tonight, oh-oh
Because tonight, tonight, tonight, oh-oh
I'm gon' make it right tonight, tonight, oh-oh

Uno, dos, go!
Tonight, tonight
Tonight, tonight (Woo, woo)

Maniac, nah, we don't party like (Tonight)
Hit 'em hard like a heavyweight fight (Tonight)
Knock 'em out kinda like Iron Mike (Tonight)
We stay bad boys for life

You only live one life, never two
Shoot your shots, don't miss when you do
Esta noche nadie nos para
Tonight is the night, you know, bad I'm
Buscando algo to get into
Juega bien las cartas y serás tú
Tenemos varios en el tu-tu
Tryna write top lists like my favorite quote (Woo, woo)

Here we go again, buddy, get it, get it in tonight
No offense, only messing with the 10 tonight
Baby, me and my friends 'bout to win tonight
Pray for me, forgive me for my sin tonight
No need to pretend tonight
Authentic 100% tonight
And tonight we gon' make it right
And do it better than we did last night

Because tonight, tonight, tonight, oh-oh
I'm gonna make it right tonight, tonight, oh-oh
Because tonight, tonight, tonight, oh-oh
I'm gon' make it right tonight, tonight, oh-oh

Dale, dale, go!

Tonight, tonight
Tonight, tonight (Woo, woo)
Tonight, oh-oh
