

# Black Eyed Peas, True (Cover)

Yeah, I know, I know  
Yeah, It's true, It's true

(Fergie)

Huh huh huh hu-uh huh  
I know this much is true  
Huh huh huh hu-uh huh  
I know this much is true

(Will I Am)

Hey x 6 (Its true)  
My x6 (Is true)  
Hey x 6 (Its true)

So true funny how it seems  
always in time, but never in line for dreams  
Head over heels when toe to toe  
This is the sound of my soul,  
this is the sound

(Will I Am)

I know you love the way my love is soundin  
From over there you can hear my heart poundin  
Let me swim in and out  
I'm drownin  
Forever I be upside down frownin  
I love you up town, love you down townin  
You could be my woman  
I could be your main man  
And thats why I sat down and wrote this poem  
Cause I want the truth to be told

(Fergie)

Boy you know I know that its true

Huh huh huh hu-uh huh  
I know this much is true  
Huh huh huh hu-uh huh  
I know this much is true

(Will I Am)

Hey x 6 (Its true)  
My x6 (Is true)  
Hey x 6 (Its true)

(Fergie)

With a thrill in my head, and a pill on my tongue  
Dissolves the nerves that just begun  
Listenin to Marvin (all night long)  
This is the sound of my soul  
This is the sound

(Will I Am)

Yah- I love the way your soul sounds to me  
Ain't nobody doin me the way you do me  
I got the stamina for L.O.V.E  
Rip out the camera, lets make a movie  
In the future we can look back at what we done did  
You been makin love to me like a hundred  
And that's why I had to remix this song  
Cause I want the truth to be told

(Fergie)

Boy you know I know that its true

Huh huh huh hu-uh huh  
I know this much is true  
Huh huh huh hu-uh huh  
I know this much is true

(Will I Am)  
Hey x 6 (Its true)  
My x6 (Is true)  
Hey x 6 (Its true)

You know its true x3  
(You know I love you girl)  
I know, I know, I know  
This much is true  
You know its true x3  
(Yeah)  
This much is true, This much is true  
(You know I love you girl)  
(I know you love me girl)
