

Black, Famous

I should be a star
Driving all the girls insane
Shower me with oysters
Swimming in the best champagne
I'd never lift a finger
Just be the biggest swinger
I, I should be famous
Oh I, I should be famous
Wear the finest clothes
Have a brand new nose
A chauffeured limousine
Jacuzzi in the back for two
A mystery companion
And you could be that girl
If you can swing it in the fast lane
Silk lingerie and cocaine
I, I should be famous
Oh I, I should be famous
I'd say 'no, no press'
Change my mind, say yes
And then turn and smile
In my own sweet style
I'd never lift a finger
Just be the biggest swinger
I, I should be famous
Oh I, I should be famous
Oh I, I should be famous
Oh I, I should be famous
Tomorrow, tomorrow
It's always tomorrow
