

# Black Flag, Forever Time

Time

Time

Time

Forever time

It's time to walk by me

One last time, it's time

At first Relax

Get set

Get your message from time

Time, time, time, time

Time

Time

Time

Forever time

It's time to look into my eyes

One last time, it's time

I feel I'm some kind of death machine

With skin and muscles and a heart

That pumps my blood

Time, time, time, time

Time Time Time

Forever time

It's time to kiss me goodbye

One last time, it's time

This is the first time

This is the last time

It's my only time

But it's only time

Time

Time

Time.
