

Black Flag, Six Pack

"I got a six pack and nothing to do
I got a six pack and I don't need you"

\$35 and a six pack to my name
SIX PACK!
Spent the rest on beer so who's to blame
SIX PACK!
They say I'm fucked up all the time
SIX PACK!
What they do is a waste of time
SIX PACK!

I know it'll be OK
I get a six pack in me, alright!

My girlfriend asked me which one I like better
SIX PACK!
I hope the answer won't upset her
SIX PACK!
I was born with a bottle in my mouth
SIX PACK!
Now I got a six so I'll never run out
SIX PACK!

I know it'll be OK
I get a six pack in me, alright!

\$35 and a six pack to my name
SIX PACK!
Spent the rest on beer so who's to blame
SIX PACK!
They say I'm fucked up all the time
SIX PACK!
What they do is a waste of time
SIX PACK!

SIX PACK!
SIX PACK!
SIX PACK!

"What do they know about partying
Or anything else"
