

# Black Flag, Six Pack

"I got a six pack and nothing to do  
I got a six pack and I don't need you"

\$35 and a six pack to my name  
SIX PACK!  
Spent the rest on beer so who's to blame  
SIX PACK!  
They say I'm fucked up all the time  
SIX PACK!  
What they do is a waste of time  
SIX PACK!

I know it'll be OK  
I get a six pack in me, alright!

My girlfriend asked me which one I like better  
SIX PACK!  
I hope the answer won't upset her  
SIX PACK!  
I was born with a bottle in my mouth  
SIX PACK!  
Now I got a six so I'll never run out  
SIX PACK!

I know it'll be OK  
I get a six pack in me, alright!

\$35 and a six pack to my name  
SIX PACK!  
Spent the rest on beer so who's to blame  
SIX PACK!  
They say I'm fucked up all the time  
SIX PACK!  
What they do is a waste of time  
SIX PACK!

SIX PACK!  
SIX PACK!  
SIX PACK!

"What do they know about partying  
Or anything else"
