

# Black Flag, The Swinging Man

Swinging man  
I'm hanging around  
Hangin' 'round I'm the swinging man and my feet  
Never touch the ground  
Swinging man  
Swinging man  
I swing back and forth  
Back and forth  
Back and forth  
Back and forth  
I was looking for a little warmth  
But I didn't find nuthin'  
So now I'm hanging around  
Swinging man  
Feeling no pain  
No pain  
No pain  
No pain  
All the girls know my name  
I go by; swinging man  
Swinging man  
I tell you what - you get yourself together  
And you go downtown, you come on home  
And I'll still be hangin' around  
Because I'm the swinging man  
And my feet never touch the ground  
Now if you love me, you'll cut me down  
But if not, I'll still be hangin' around cause  
I'm the swinging man and my feet  
Never touch the ground I'm the swinging man.
