

# Black Flag, Wound Up

I walk by your house  
To see if you were at home  
It was my only chance  
I felt so alone  
It always seems  
I get so wound up  
To feel so let down

I get so wound up  
I feel so let down  
I get so wound up  
I feel so let down  
I get so wound up  
I feel so let down  
I get so wound up

Don't you ever see the way I look at you?  
Could you understand why I feel the way I do?

I have a lot to show you  
Feel I have something to prove  
There's things I'd like to tell you  
My brain is slow to move  
I wish you'd give me a second  
So I could make you see  
That no one in the world could look at you  
And see the things I see

I get so wound up  
I feel so let down  
I get so wound up  
I feel so let down  
I get so wound up  
I feel so let down  
I get so wound up

Don't you ever see the way I look at you?  
Could you understand why I feel the way I do?

I have strong emotions  
I keep them to myself  
I know I can write them  
I know I can sing them  
That's what I'll have to do  
Because in my heart  
Deep in my heart  
I keep a picture of you

I get so wound up  
I feel so let down  
I get so wound up  
I feel so let down  
I get so wound up  
I feel so let down  
I get so wound up
