

Black Francis, Tight Black Rubber

1, 2, 1

Some things in life are so beautiful
Make you real glad, so dutiful
Some things in life are so beautiful
Make you go back again and again
Make you go right back to the end

Dressed in white, looks just right
All in brown, let's get down
Black on black, a tasty snack
It's amazing! It works!
It's amazing! It works! Ah!

Black rubber
Tight black rubber
Tight black rubber
Ain't no chippyin' man

Tight black rubber, ain't no chippyin' man
Tight black rubber, ain't no chippyin' man
Tight black rubber
Tight black rubber

My baby's so bad, I nearly killed her
Bit me so hard and I just filled her
Another gig and another guilder
I'm all killer, no filler

Mary had a little lamb
The shit was pure as snow
Everywhere that Mary went
And everywhere that Mary went

Black rubber
Tight black rubber
Tight black rubber, ain't no chippyin' man
Tight black rubber, ain't no chippyin' man
Tight black rubber, ain't no chippyin' man
Tight black rubber
Tight black rubber
