

# Black, Had Enough

All  
(And all, and that?s not all)  
I have  
(Is all, and that?s not all)  
I have is all  
(And nothing more)  
You see  
Now tell me  
(And tell and tell me all)  
That, that  
(And that and nothing less)  
Is the way it should be  
(And not that I lie)  
Should be  
(Should be)  
You?ve tried to change my life  
You?ve tried to change my life for me  
I?ve had enough of it  
You?ve tried to change my life  
You?ve tried to change my life for me  
?O that I?ve had enough of it  
All  
(And all, and that?s not all)  
I have  
(Is all, and that?s not all)  
Is all that I  
(And nothing more)  
Can give  
So here  
(Here and here it is)  
It is  
(And here and here it is)  
With warts and all  
With warts and all  
You?ve tried to change my life  
You?ve tried to change my life for me  
I?ve had enough of it  
You?ve tried to change my life  
You?ve tried to change my life for me  
And I?ve had enough of it  
Why will you ask of me at all?  
How  
(And how so how can I)  
Can I  
(And how so how can I)  
All give to you  
(What I don?t have)  
What I don?t have  
You?ve tried to change my life  
You?ve tried to change my life for me  
I?ve had enough of it  
You?ve tried to change my life  
You?ve tried to change my life for me  
?O and I?ve had enough of it  
You?ve tried to change my life  
You?ve tried to change my life for me  
I?ve had enough of it  
You?ve tried to change my life  
You?ve tried to change my life for me  
And I?ve had enough of it  
(Enough of it)
