

# Black Heaven, Puppets

Get that feeling, head is reeling  
You think you're in control but you don't know me babe  
I can move you, I can soothe you  
I can take you places in a different way

And I don't think you understand  
What I'm trying to say  
I'll be your operator baby  
I'm in control

Watch your action, close reaction  
And everything you're thinking babe inside your head  
Conversation, my creation  
Nothing that you do you do unless I said

And you don't know the consequences  
Of the things you say  
I'll be your operator baby  
I'm in control

All the things you tried to do babe  
And all the words we've said before  
Are only part of what I started baby  
And you can't stop me anymore

Get the feeling, head is reeling  
You think you're in control but you don't know me babe  
I can move you, I can soothe you  
I can take you places in a different way

And I don't think you understand  
What I'm trying to say  
I'll be your operator baby  
I'm in control
