

# Black, If You Want It You Can Have It

I've got a smile  
I Wear upon my Face  
Pasted there in place  
And every expression  
Has a different name  
Every line's a winner  
In some other suckers game  
You wouldn't know it  
They never show it  
What can you make of yourself?  
Over and over and over and over again  
But if you want it you can have it  
If you need to take your time  
And rock the by-line  
And walk the skyline  
If you have to change your life  
Like the smile  
I Wear upon my Face  
I'm wasted on this place  
They try to block you  
Try to stop you  
You're a loser  
A hopeless case  
You wouldn't know it  
You don't show it  
What can you make of yourself?  
Over and over and over and over again  
But if you want it you can have it  
If you need to take your time  
And rock the by-line  
And walk the skyline  
If you have to change your life  
Rearrange it  
Illustrate it  
Make a B-line  
Have some fun  
Recommend it  
To your patron  
I dedicate my lives to him  
You wouldn't know it  
They never show it  
What can you make of yourself?  
Over and over and over and over again  
But if you want it you can have it  
If you need to take your time  
And rock the by-line  
And walk the skyline  
If you have to change your life  
If you want it you can have it  
If you need to take your time  
And rock the by-line  
And walk the skyline  
If you have to change your life  
Change your life
