

Black Lab, Lonely Boy (Miss Volatile Remix)

you say
you like to sleep alone
and i say
i miss the way you breathe
you say
i get away with murder
but you know i've paid for hurting
someone i cant leave behind

Do you feel something
pulling you back in
do you see something
you wanna see again
i could be the one
i could make it up to you
take me back, im the lonely boy who
who loves you

you say
my broken heart becomes me
i say
i'd sell it cheap to you
you say
i should
wrap all the lies i've told in
10 dollar bills and smoke the
money doesnt burn so clean

Do you feel something
pulling you back in
do you see something
you wanna see again
i could be the one
i could make it up to you
take me back, im the lonely boy who
who loves you
