

Black Label Society, All For You

My neck has been broke, in the noose of lifes rope.
Through my loss of you, I have found no hope.
Slain the emotions, lifeless and blue.
Destroying myself now..

All For You!
All For You!
All For You!!

Remote Recollection, of tranquility.
Terror grotesquely, becoming of me.
Unnameable joy, when our blood once ran true.
Destroying myself now..

All For You!!
(All! You! All! You!)
All For You!
All For You!

(solo)

All For You!
All For You!
(You, you, you, you, you...)
