

Black Label Society, Crazy Horse

Lightning from above followed by hail
Death from above in the wake of his trail
A vision sent this child becomes a man
Blood of the past has chose his plan
I am
Crazy horse I am
I am
Crazy horse I am
The sacrifice of others that walk within
The battlefields of death embracing him
The courage from beyond surrounds one's soul
Walking side by side though graves unknown
I am
Crazy horse I am
I am
Crazy horse I am
A vision sent for the heavens to see
This is a good day to die, now follow me!
I am
Crazy horse I am
I am
Crazy horse I am
Crazy horse I am
Crazy horse I am
