Black Label Society, Faith Is Blind

Faith is blind Carry it to the end Faith is blind All I've done and said

Feed them the lies For that's all that they want to see Crawl in your grave I'm your Lord of Reality

Faith is blind Follow me to the black Faith is blind Your demise is where your at

Feed them lies For that's all that they want to see Crawl in your grave I'm your Lord of Reality

Faith is blind Carry it to the end Faith is blind All I've done and said
