

Black Label Society, Genocide Junkies

Ohhhhhhhhhhhhhhhhhhhhh!
Loaded
Storming out of control
Fired up
Hell Ridin' We Roll

Drinking
From the well of the damned
Sieze the roads
Assault the land

Respect through fear
Walking tall
beyond unreal

Oh, always up for the ride
Junkies of the genocide

Rising
Always above
Hell-riding
Never enough
The rush of the chrome
To reign supreme
Pistons of torture
Crucifixion of speed

Respect through fear
Walking tall
Beyond the real

Oh, always up for the ride
Junkies of the genocide
Oh, always up for the ride
Junkies of the genocide

Intimidation
Degredation
Livin Large
Desecration
Bury the old game
Worship the insane
Tomorrow will still be here
Immune to fear
The end is never near
Hell Ridin' the gears of life
Intimidation
Degredation
Livin Large
Desecration
