

# Black Label Society, Mother Mary

I feel my wheels have come undone  
I've fallen off my tracks  
Lord, I need your guiding hand  
If I'm to make it back  
Oh, make it back, back, back..

All My Life  
Everything's been after me  
All My Life  
I just refused to see  
Take me in from the storm  
Come And Rescue Me  
Under the wings of mother mary

Doing wrong is all you know  
In the end  
Do you know where you go?  
You can't keep doing what you do  
Sooner or later  
It all comes back to you, you, you ,you...

Ohhhhhh

All My Life  
Everything's been after me  
All My Life  
I just refused to see  
Take me in from the storm  
Come And Rescue Me  
Under the wings of mother Mary
