

Black Label Society, What's In You

Step inside this nightmare
Where I live
The madman rolls
Inside my head
Step inside this nightmare
Where I live
The madman rolls
Inside my head

Oh, what's in you now?
Oh, what's in you now?
Oh, what's in you now?
Oh, what's in you now?

Helter Skelter running
Through my veins
Satan's coming
On his way
Helter Skelter running
Through my veins
Satan's coming
On his way

Oh, what's in you now?
Oh, what's in you now?
Oh, what's in you now?
Oh, what's in you now?

-Solo-

Oh, what's in you now?
Oh, what's in you now?
Oh, what's in you now?
Oh, what's in you now?
