

Black Lips, Bad Kids

Bad Kids
all my friends are bad kids
product of no dad kids
kids like you and me

bad kids
aint no college grad kids
livin' out on the skids
kids like you and me

in class
we are a minority
got no
respect for authority
we won't
play well with others
and steal
from all your mothers

don't try
to give us pills
oh wait
give us all the pills
don't cry
momma gotta go to court
dad wont
pay his child support

well you gotta understand
we only do these things because
all we are are

at home
he throws a hissy fit
time out
he dont give a shit
got drunk
off grandma's schnapps
got caught
running from the cops

toilet
paper in your yard
six F's
on my report card
smoke cigs
in the bathroom stall
spray paint
a penis on the wall

well you gotta understand
we only do these things because

all we are are
