

Black Mary, Only A Woman's Heart

(Chorus)

My heart is low, my heart is so low
As only a woman's heart can be
As only a woman's, as only a woman's
As only a woman's heart can know
The tears that drip
From my bewildered eyes
Taste of bitter sweet romance
You're still in my hopes
You're still on my mind
And even though I manage on my own

(Chorus)

My heart is low, my heart is so low
As only a woman's heart can be
As only a woman's, as only a woman's
As only a woman's heart can know
When restless eyes
Reveal my troubled soul
And memories flood my weary heart
I mourn for my dreams
I mourn for my wasted love
And while I know that I'll survive alone

(Chorus)

My heart is low, my heart is so low
As only a woman's heart can be
As only a woman's, as only a woman's
As only a woman's heart can know
My heart is low, my heart is so low
As only a woman's heart can be
As only a woman's, as only a woman's
As only a woman's heart can know
