

# Black Moth Super Rainbow, Sun Lips

I'd love to be with you  
and the sun will rise, the sun will rise.  
I love to be with you  
and the sun will rise, the sun will rise.  
I'd love to be with you  
and the sun will rise, the sun will rise.

We wait in summertime  
We miss you in summertime  
We wait in summertime  
We miss you in summertime

I'd love to be with you  
and the sun will rise, the sun will rise.  
I love to be with you  
and the sun will rise, the sun will rise.  
I'd love to be with you  
and the sun will rise, the sun will rise.

We wait in summertime  
We miss you in summertime  
We wait in summertime  
We miss you in summertime
