

Black Oak Arkansas, When The Band Was Singin

Well now they started skinny minny
And it turned to Jenny, Jenny
With the dizzy miss lizzy blues,
She smiled while we were strollin'
And I knew that i was rollin'
Got to tell my big buddy the news,

It's not the magic
It's not the music
It's not the moonlight
I don't know when i felt like this before.
About ten years time ago.
When the band was singin'
"Shakin' all over."

Well now they gave us Juicy Lucy
And we did the Watusi
In a Rockin' pair of blue suede shoes
What she don't know won't hurt her
Even though I might desert her
Got to tell my best buddy the news.

It's not the magic
It's not the music
It's not the moonlight
I don't know when I felt like this before
About ten long years ago
When the band was singin'
"Shakin' all over."
When the band was singin'
"Shakin' all over."
