

# Black Oak Arkansas, When The Band Was Singin

Well now they started skinny minny  
And it turned to Jenny, Jenny  
With the dizzy miss lizzy blues,  
She smiled while we were strollin'  
And I knew that i was rollin'  
Got to tell my big buddy the news,

It's not the magic  
It's not the music  
It's not the moonlight  
I don't know when i felt like this before.  
About ten years time ago.  
When the band was singin'  
"Shakin' all over."

Well now they gave us Juicy Lucy  
And we did the Watusi  
In a Rockin' pair of blue suede shoes  
What she don't know won't hurt her  
Even though I might desert her  
Got to tell my best buddy the news.

It's not the magic  
It's not the music  
It's not the moonlight  
I don't know when I felt like this before  
About ten long years ago  
When the band was singin'  
"Shakin' all over."  
When the band was singin'  
"Shakin' all over."
