

Black President, Who Do You Trust?

you know I want so badly to believe in unity
I wish I didn't know what I know but I know better
so tell me...

WHO DO YOU TRUST

NO ONE

WHO DO YOU TRUST

NO ONE

there's nothing pretty in the city of brotherly love where I was born

I've seen a cop shoot his best friend's dog

in the street with no remorse

WHO DO YOU TRUST

NO ONE

WHO DO YOU TRUST

NO ONE

WHO DO YOU TRUST?

NO ONE

WHO DO YOU TRUST?

NO ONE

WHO DO YOU TRUST?

NO ONE

WHO DO YOU TRUST?

I TRUST MY MOTHER
