## Black President, Who Do You Trust?

you know I want so badly to believe in unity I wish I didn't know what I know but I know better so tell me...

WHO DO YOU TRUST

NO ONE

WHO DO YOU TRUST

NO ONE

there's nothing pretty in the city of brotherly love where I was born

I've seen a cop shoot his best friend's dog

in the street with no remorse

WHO DO YOU TRUST

NO ONE

WHO DO YOU TRUST

NO ONE

WHO DO YOU TRUST?

I TRUST MY MOTHER
