

# Black River, Free Man

I cannot breathe  
I cannot flee  
All I see inside you  
Go around, unsafe, with you again  
I feel, I hear your madness  
Expect it  
Im coming  
Be careful  
Im cominig  
Be careful  
Im coming  
Be careful  
My coming  
That life is dead  
Im beginnig new

will destroy all that is yours  
cannot lose my freedom
