Black Sabbath, Die Young

Yell with the wind, though the wind won't help you fly at all Your back's to the wall Chain the sun, and it tears away and it breaks you as you run You run, you run! Behind the smile, there's danger and a promise to be told:

You'll never get old - ha!

Life's fantasy - to be locked away and still to think you're free you're free, you're free!

So live for today Tomorrow never comes

Die young, die young Can't you see the writing on the wall? Die young, gonna die young Someone stopped the fall

Yell with the wind, though the wind won't help you fly at all Your back's to the wall Chain the sun, and it tears away and it breaks you as you run You run, you run!

So live for today Tomorrow never comes

Die young, young! Die young, die young! Die young, die young, young! Die young, die young, die young, die young!!
