

# Black Sabbath, Neon Knights

Oh no, here it comes again  
Can't remember when we came so close to love before  
Hold on, good things never last  
Nothing's in the past, it always seems to come again  
Again and again and again

Cry out to legions of the brave  
Time again to save us from the jackals of the street  
Ride out, protectors of the realm  
Capatin's at the helm, sail across the sea of lights

Circles and rings, dragons and kings  
Weaving a charm and a spell  
Blessed by the night, holy and bright  
Called by the toll of the bell

Bloodied angels fast descending  
Moving on a never-bending light  
Phantom figures free forever  
Out of shadows, shining ever-bright

Neon Knights!  
Neon Knights! all right!

Cry out to legions of the brave  
Time again to save us from the jackals of the street  
Ride out, protectors of the realm  
Capatin's at the helm, sail across the sea of lights  
Again and again, again and again and again

Neon Knights!  
Neon Knights!  
All right!
