Black Sabbath, War Pigs

Generals gathered in their masses Just like witches at black masses Evil minds that plot destruction Sorcerers of death's construction In the fields the bodies burning As the war machine keeps turning Death and hatred to mankind poisoning their brainwashed minds Oh Lord yeah

Politicians hide themselves away They only started the war Why should they go out to fight They leave that all to the poor

Time will tell on their power minds Making war just for fun Treating people just like pawns in chess Wait 'till their judgment day comes

Now in darkness world stops turning As the war machine keeps burning No more war pigs have the power Hand of God has struck the hour Day of judgment God is calling On their knees, the war pigs crawling Begging mercy for their sins Satan laughing spreads his wings Oh Lord yeah
